

**BEST OF
AMERICA**
Limited Liability Corporation

Dear Nominee,

Allow me to inform and congratulate your company on its nomination to the inaugural Best of America's Foods National Championships in one of four categories of **pie**. Just five companies in each category will compete for the National Championship at fifteen regional locations throughout America beginning in May 2005.

Within the enclosed brochure you will find information regarding the championships' locations, its marketing advantages, including how your company may participate.

Along with the excitement of competing for your product's National Championship in 2005, it is my immediate hope that the effect of being a finalist both promotes and confirms the quality of your pie, while enhancing its retail profile.

Once again, congratulations on your food product's nomination to the Best of America's Foods National Championships!

Sincerely,

Kristina Mouksian
President
Best of America, LLC
